STRENGTH & CONDITIONING COACH | MAYFAIR GYM

Exciting opportunity working in a high-end strength and conditioning gym in Mayfair, London. Join a driven and performance-orientated team with the ethos to make athletic training methods more accessible for normal working people in the central London area, merging the gritty aspect of training with the luxury of Mayfair.

## Job Description

You will be working with private clients, as well as small groups to deliver bespoke personal training and group conditioning sessions. You will be required to combine your extensive knowledge of S&C with good customer service and the ability to simplify your training methods and language to suit non-athletic, busy professional populations.

You will be working predominantly with professionals who live and work in central London, as well as potentially some athletic populations.

Part-time roles available.

## Skills and qualities required

- Strength & Conditioning education - undergraduate or post graduate, in process or completed. All S&C education will be considered.
- Customer service oriented
- Professional
- Team player
- Driven and hungry to learn
- UKSCA accredited, or on the pathway towards accreditation
